From the President's Desk

Dear Friends and Colleagues,

On behalf of CASP, I am delighted to share our Annual Report for 2024–25. This year has been marked by meaningful progress across education, health, livelihood, adolescent empowerment, and community development.

Through strong partnerships with donors, CSR collaborators, and government departments—including Yardi Ltd., Agiliad, Brilliant Polymers, Enfant du Monde, Synopsys Pvt. Ltd., Addepar Technology India Pvt. Ltd., Haldor Topsoe, Terre Des Hommes, and the Department of Women & Child Development—we reached thousands of children and families with impactful interventions.

The report highlights inspiring success stories where sponsored children have grown into confident young adults—some even becoming sponsors themselves. These journeys reaffirm the power of long-term support in breaking cycles of poverty and creating lasting change.

As CASP enters its Golden Jubilee year in 2025, alongside the birth centenary of our founder, Dr. Sharatchandra Gokhale, we look ahead with renewed commitment. Our focus remains on sustaining on-going projects, deepening partnerships, and expanding outreach to ensure inclusive, sustainable impact in both rural and urban communities.

I extend my heartfelt gratitude to all our sponsors, donors, partners, and well-wishers for walking alongside us in this journey of compassion and empowerment.

The Chairman / Managing Director / Chief Executive Officer
of member banks participating in NEFT and RTGS Systems

Madam / Dear Sir,

Introduction of Foreign Contribution (Regulation) Act (FCRA) related transaction code in NEFT and RTGS Systems

Under the FCRA, 2010 (amended as on September 28, 2020), foreign contributions must be received only in the "FCRA account" of State Bank of India (SBI), New Delhi Main Branch (NDMB). The contributions to the FCRA account are received directly from foreign banks through SWIFT and from Indian intermediary banks through NEFT and RTGS systems.

2. In terms of extant requirements of Ministry of Home Affairs (MHA), Government of India, donor details such as name, address, country of origin, amount, currency, and purpose of remittance are required to be captured in such transactions and SBI is required to report the same to MHA on daily basis.

3. Keeping in view the above, necessary changes have been introduced in NEFT and RTGS systems, technical details of which are provided in [Annex](#). Member banks are advised to incorporate necessary changes in their core banking / middleware solutions to capture the requisite details while forwarding the foreign donations through NEFT and RTGS systems to SBI. The instructions will be effective from March 15, 2023.

4. These instructions are issued under Section 10 (2) read with Section 18 of Payment and Settlement Systems Act, 2007 (Act 51 of 2007).

Yours faithfully,

(P Vasudevan)
